

Since: 1984

Durga electrodes plant mfg. co.

Spare Parts For Welding Electrodes

(a) Nozzle Single Lead (b) Local Wire Brush (c) Japanese Wire Brush For Conveyor
(d) Grooved Roller (e) Running Roller (f) Wire Cutting M/c Spare Parts (g) Single Lead Die Head Assembly

We Have All Make Hydraulic Pumps & Valves

Radian Piston Pump(Plunger Pump)
Pressure Control Module(PCM)
Direct Operated Pressure Relief Valve
Pilot Operated Pressure Relief Valve
Flow Meters
Check Valve
Direction Control Vale

ABOUT US

Company profile at a glance

Established in the year 1984 at Delhi, India. We are renowned as one of the best Manufacturers and Suppliers of a world class assortment of Welding Electrode Machinery and Mig

The array of products manufactured by us range from Wire Feeder, Briquetting Press (Slug Press), Conveyor Unit, Wire Straightening & Cutting Machine, Dry Mixer – Rotating Double Cone, Winder, Spooler, B.B Block, Copper Coating Unit, Wet Wire Drawing Machine, Pre Block and Pay Off Stand. The manufacturing process of the entire range of products begins with the sourcing of excellent quality raw materials available in the market through vendors of a high standard and repute. Further, the process uses the state-of-the-art machinery and technological inputs from a team of dedicated and experienced engineering professionals.

Our manufacturing process is ably assisted by adequate infrastructure and guided by the sharp minds of our engineering professionals. The efficiency, reliability, performance and longevity of our products have enabled our esteemed customers to use them for extensive applications in diverse mechanical, engineering and chemical industries. The entire range of products is put through rigorous quality controls on all critical parameters to ensure they meet the highest international standards.

Our mentor, [MR. SHARVAN KUMAR](#) has long term goals in his vision and has been guiding the company

- Flux Decoating Machine
- Shrink Packing Machine
- Briquetting Press (Slug Press)
- Dry mixer- Rotating double cone
- Dry mixer- Ribbon blender
- Wet mixer(Muller)
- Conveyor Unit
- Extruder- bell housing type
- Wire Feeder(Type Horizontal)
- Wire Strightening & Cutting M/c
- Microscope With Stand
- Drying Oven For Drying Welding Electrodes Electrically Heated
- Seaving Machine
- S.S. Wire Washing Machine
- Wet Flux Reclamation Machine
- Extruder Vertical Type
